

CALL FOR STUDENTS' APPLICATIONS

PhD Programs "Molecular Medicine" (MolMed) "Advanced Medical Biomarker Research" (AMBRA)

Start of the projects: October 1, 2017

Application deadline: March 19, 2017

The Medical University of Graz offers international PhD programs in "Molecular Medicine" (MolMed) and "Advanced Medical Biomarker Research" (AMBRA) that provide an in-depth, multidisciplinary training in biomedical research in a stimulating international environment. The thesis projects focus on aspects of metabolic diseases, cancer, inflammatory diseases, as well as novel therapeutic targets, and integrate basic research and clinically-oriented sciences utilizing a wide spectrum of state-of-the-art techniques.

POSITIONS

Selected PhD students get employed for 3 years with a contract that includes social benefits.

WHO CAN APPLY

Applicants must hold (or be close to obtaining) an undergraduate degree equivalent to a Master in any discipline of natural or life sciences or medicine. The selection procedure, all training activities and communications will be in English. Thus, excellent written and spoken English skills are required.

HOW TO APPLY

Applications are made exclusively through the online platform mug.glowbase.com. Please do not send any documents by regular mail or e-mail unless you are explicitly asked to do so by our staff. There is no application fee.

Further information about the program, open projects and the online application procedure are available at: <http://www.medunigraz.at/phd-medizin/application/>
